2019 MERRITT ESTATE WINE CLUB TERMS & APPLICATION

Thank you for your interest in the Merritt Estate Wine Club! **By joining one of our Membership Programs, you agree to the following terms:**

There is no cost to join the club! You will receive complimentary tastings all year long! Our Quarter Master & Sweet Sensation Memberships are quarterly club shipments of 3 bottles per quarter, for a total of 4 shipments a year, and will include additional charges for shipping and handling. Members may cancel their membership after receiving their second regularly scheduled wine club shipment. Dry Red selection pricing increases by \$5.00 per shipment.

Any cancellation requests must be submitted in writing to marketing@merrittstatewinery.com and be received prior to the billing of a regular club shipment. Members are responsible for all orders that are to be billed to their account prior to the notice of cancellation. Your wine club membership must be active and in good standing (no missing club shipments and a valid credit card on file) to be eligible to redeem wine club benefits. Declined credit cards are cause for automatic termination of wine club account. Benefits are non-transferrable. For each benefit the member is to receive, the Wine Club Member must be present to redeem said benefits.

Any advertised shipment prices are estimates only and do not include applicable shipping fees and taxes. Prices, wine selections included in each shipment, and release dates (timing of shipments) are all subject to change. We are offering a savings of 10% or more, ongoing to each member, with no membership fee, other than for your product, taxes and S&H fees. We will also offer will call pickup to local members, who may stop by the winery and pick up their wines.

Your credit card will be billed prior to the release of your Club Shipment, and details for shipping or will-call dates will be sent to the email associated with your account. Will call members must pick up their shipment within 30 days of the release date, or it will be shipped to the member at their expense.

All wine orders must be placed and received by a person 21 years of age or older and verification of age is required at the time of delivery or pickup. If wine is returned or redirected as a result of the inability to provide age verification, an incorrect address, or missed delivery attempts, all associated costs will be the responsibility of, and charged to, the customer. We cannot ship to PO boxes. Shipping regulations vary by state laws.

Again, as a wine club member, your complimentary wine tastings are unlimited. Discounts on wine will apply during special events made available to club members. Club memberships cannot be combined with other discounts or offers otherwise as stated in your membership level. **In order to receive your club benefits, your membership card must be presented each time you are at the winery or events.**

If applicable, the complimentary wine and cheese tasting experience for members is limited to a one-time use during your membership year. The experience is complimentary for the member and nine guests (10 people total). If there are fewer than 10 people at the experience, the balance of the guests is forfeited and cannot be used at a future date. Tasting is subject to availability and a prior reservation is required. Wine club benefits and terms are subject to change.
